

Parent – Child Golf League

Welcome all players to the parent child golf league. We are very excited that you have chosen to be with us, I wish each of you the best of luck as we begin a great 8 week journey. I am looking forward to an exciting year and some great competition. I hope each of you is looking forward to the time you will be sharing with each other and the camaraderie that this will bring. Each season our Parent-Child league has grown in numbers that is because you make it such a fun and enjoyable time for everyone. Below you will see a tentative schedule that we will follow, incase you miss an evening you know what game you'll have to make up. Make ups can be done anytime during the week or even before that nights contest. Best of luck to all players, but most of all relax and enjoy some great golf.

Sincerely,

Brian Barnett
P.G.A. Golf Professional
